Overview

I am a Web Developer with 14 years experience. I began writing small web applications with Perl in 1998. I have well rounded experience with all aspects of Web Development from design (CSS, HTML) to Client-Side Scripting (Javascript, JQuery) to Server-Side Scripting (PHP) to Database configuration, design & administration (MySQL) and Web Server configuration. For the past year I have been working heavily with Drupal 7.

Tech Skills

PHP	Javascript	Drupal 7	MVC Architecture
MySQL	JQuery	CakePHP	Database Design
HTML5	Photoshop	Wordpress 3.x	Database Administration
CSS3	Coda	Git version control	LAMP Development
